

Adinath Boys Hostel, College of Dairy Technology, Warud (Pusad)

Preamble

Adinath Boy's Hostel (College of Dairy Technology, Warud(Pusad))

Preamble

The residents of Adinath boys' hostel foster a supportive and conducive environment for learning, growth, and community development. They commit to upholding the principles of respect, integrity, and responsibility. They acknowledge that the diverse backgrounds and experiences enrich their shared living space. They pledge to contribute positively to the hostel's well-being, respect the rules and regulations, and strive to achieve their academic and personal goals with diligence and integrity.

Majority of our students are from agriculture-based rural residents with marginal income background, badly in need of hostel accommodation. Our college campus is spread over 42 acre area on Pusad-Nagpur road. The hostel is managed system maned by Dr. AR Sarode as the Hostel Warden manages the data on Hostel resident students, staff working in hostel, mess and purchases for the hostel managed by the hostel dwellers. Regular need-based medical checkup is conducted. We have nine shared rooms in the Adinath Hostel campus. The campus includes a gymnasium, a mess with water coolers and a couple of lavatories and bathrooms with solar hot water system. At present 32 students are residing in the Adinath Hostel.

Objectives

The main objective of the Hostel Management System is to manage the details of Rent, Allotees, Hostel, Rooms and Payments. The facilities is built at the administrative end and thus only the administrator is guaranteed access.
