

# ONLINE BOOK REVIEW COMPETITION

To commemorate the birth anniversary of **Dr. A. P. J. Abdul Kalam** and to celebrate "**Vachan Prerana Din**", the **College of Dairy Technology, Warud (Pusad)** organized an **Online Book Review Competition** exclusively for students. The event was conducted under the banner of **Azadi Ka Amrit Mahotsav**, highlighting the importance of reading, knowledge sharing, and student engagement. The competition was organized by the **Library and Information Centre** in collaboration with the **National Service Scheme (NSS)** unit of the college. Students were invited to register through an online Google Form, with the **last date of registration on 10th October 2021**. The **online book review presentations were held on 14th October 2021 at 12:00 PM**.

During the online presentation session (as seen in the second image), students showcased their book reviews using Google Meet. One of the students presented a review of the book "**Believe in Yourself**", comparing its PDF and paperback versions. The session witnessed active participation, where students delivered their reviews confidently while faculty members observed and evaluated their presentations.

The competition aimed to promote reading habits among students, enhance their analytical thinking, and encourage them to articulate their understanding of books. The **top three performers** were selected and awarded for their outstanding presentations. The programme was successfully coordinated by the Library team, ensuring smooth registration, communication, and online conduct of the event.
