

# USER ORIENTATION PROGRAMME

The Library of the **College of Dairy Technology, Warud** organized an **Orientation Programme** for newly admitted students. The purpose of the programme was to introduce students to the library's resources, services, and facilities, and to help them understand how to effectively use the library for their academic and research needs.

**Guiding First-Year Students during the Library Orientation Programme  
held on 02.11.2023 at CDT, Warud."**
